## THE VILLAGE TALK

### Message from the Director

Spring reminds us that growth takes time, care, and connection. Just like the flowers beginnings to bloom, our community thrives when we support one another, share kindness, and stay engaged. Whether its new faces, participating in events, or simply checking in on a neighbor, each small action helps our community flourish. Im excited for all the opportunities ahead this season. New initiatives, gatherings, and moments that will bring us closer and continue building a place we're proud to call home.
