## Villages at Home

Choosing personal in home care services can be a difficult decision.

We want to ensure you feel completely confident and comfortable with your decision by warmly offering you our Villages at Home in-home care services. Villages at Home services are exclusively dedicated to the care and assistance for The Villages at River Club residents.

We offer grooming, bathing and dressing and also provide assistance with homemaker tasks such as light housekeeping, laundry and meal preparation. This service is ideal for those recovering from surgery or need medication reminders. Villages at Home will tailor a plan to meet your home care needs and expectations.

Our highly qualified caregivers have over 30 years experience and participate in ongoing training throughout the year.
