

# We passed the test.

At The Villages at The River Club Senior Living Community, we limited visitors before limited visitation was mandated; we quarantined before quarantines were required; we deep cleaned before deep cleaning was recommended. Now, we celebrate the successful completion of testing residents and staff for the coronavirus.

With new ways to communicate, new activities and new clinical operations, The Villages at The River Club Senior Living Community celebrates a future of safe and secure residents, healthy lifestyles and connected community.
